We're Going on a Lion Hunt

By: David Axtell

In this beautifully illustrated rendition of a well-known children's chant, two *sisters* are looking not for a bear but for a lion—a lion that lives on the African savanna, where the girls go through *swishy-swashy* long grass, a *splishy-splashy* lake, and a Big Dark Cave. When they finally meet their lion, they have to run, run, run through it all again to get back home.
