 PLEASE, MISTER BAKER, BAKE ONE AGAIN
 AND, THIS TIME BAKE EIGHT, NINE OR TEN!

COMMUNITY HELPER HAT

Children paint a paper plate red to make this firefighter hat craft. After the paint has dried, it is cut to resemble a firefighter hat. The badge for the hat is made with yellow sticky foam. When finished, the children can wear their hats and pretend to be firefighters!

WHATS IN THE TUB?

Provide children with a variety of clothes, hats and tools helpers in the community use. Let them explore the contents and help them decide which community helper would need that tool.
